Local Off Road Racing team gets set to compete in the upcoming SCORE International BAJA 1000 taking place on Thursday, November 15th 2012.

This is the 45th running of the famed BAJA 1000. This 1000 mile race will challenge man and machine against the treacherous terrain that makes the Baja Peninsula of Mexico the epicentre of the off-road racing world. Over 350 of the world's best off-road racers are entered in this year's race. YOLO Racing is currently second in points for the season. With a win in this race they could become the first Canadian team in the history of the sport to be awarded a class championship. www.score-international.com

The team is also transporting 25 sets of structural firefighting gear to be delivered to the volunteer firefighters of the Mulege Fire Department, Baja Mexico. This is the third such donation to the firefighters of Mexico that will help protect their Firefighters during structural firefighting operations.

YOLO Racing is made up of a group of Vancouver Firefighters and friends. By way of a Drive-a-thon and various other promotional campaigns, the team raises funds to support, "Firefighters without Borders Canada." www.fwbcanada.ca
